

February is American Heart Month

Command Activity Ideas

"Eat Healthy" Organize a heart healthy pot luck luncheon and encourage the command to use recipes from:

<http://www.nhlbi.nih.gov/health/index.htm#recipes>

"Just Move" Coordinate a fun run with other commands and MWR-Fitness. Place signs by elevators that encourage people to use the stairs. For resources go to: <http://www.cdc.gov/physicalactivity/everyone/guidelines/>

"Present" Contact your local Health Promotion office or MTF dietitian and ask them to provide a brief on topics related to heart health.

"Display"

Disseminate prevention messages to command members (e.g., post signs reminding employees to get their blood pressure and cholesterol levels checked, eat 5 fruits and vegetables per day, quit smoking, and avoid exposure to secondhand smoke).

Use pages from these 2 resources to create an educational display:

"Screen" Ask your local MTF or Health Promotion office to provide a voluntary morning blood pressure screening for your command

"Quit" Promote a command tobacco free day to promote heart health

"Email" Send plan of the day notes, health messages or fact sheets to command members

"Compete" Start forming your "crew" for the annual Crews Into Shape Challenge during March.

Go to:
